The video is not perfect, but it's a great reference for anyone wanting to overhaul and assemble their manual transmission. I suggest you have parts diagrams from the Toyota BGB big green book, i.e. workshop manual or sites like toyodiy or toyotapartscatalog.com handy while watching this video. Here's a link to the parts diagram of this transmission. Here's a list of everything replaced: All synchros, 5th speed gear, 5th gear coupling sleeve, 5th gear selector fork, all synchro springs, 1 missing synchro key, rear bearing retainer plate, input and output shafts front and rear bearings, differential tapered roller bearings, all seals, clutch thrust bearing. Probably forgot something. Problems addressed with the rebuild: 5th gear popout and hard shifting from 1st to 2nd gear. In the beginning of the video there is a stupid crop, it lasts just for a few minutes so please be patient. 0 comments share save hide report 100% Upvoted This thread is archived New comments cannot be posted and votes cannot be cast Sort by best no comments yet Be the first to share what you think. To calculate the overall star rating and percentage breakdown by star, we don't use a simple average. Instead, our system considers things like how recent a review is and if the reviewer bought the item on Amazon. It also analyzes reviews to verify trustworthiness. Our goal is to carry what you need for your manual transmission repair. Our onhand inventory covers over 50 years of applications, from the 60s through current model year applications. When you think quality, think USA Standard Gear! Details All other warranties, including but not limited to an implied warranty of merchantability or fitness for a particular purpose, are excluded. This warranty is offered provided that the USA Standard product has been installed and maintained in accordance with USA Standard instructions, and that it has not been subject to modification, accident, abnormal use or misuse. At USA Standards discretion, this warranty may be voided if installation of USA Standard products occurs on vehicles with tires that exceed USA Standard Maximum Recommended Tire Size. Upon notification of a warranty claim, USA Standard shall investigate the claim of defect, and, in the event of a verified defect, shall, at their sole choice, either repair the defective product or replace it.

This warranty does not cover, and USA Standard shall not be liable for, incidental or consequential damages, including loss of time, road service charges, labor charges, inconvenience, loss of vehicle

use, loss of revenues, or loss or damage to personal property including loss or damage to vehicle parts due to the failure of the USA Standard product. Also, this warranty does not cover damage to the axle caused by or facilitated by failure of a nonUSA Standard component. This agreement offers you specific legal rights. You may also have other rights which vary from state to state. Both rear tires must measure the same height from ground to top of wheel for Spool to function properly without premature wear. Front Axle Series ZA W Five 5 Years Five year warranty covering manufacturing defects and axle breakage. This warranty is not transferable to another party. "No Questions Asked" replacement for first warranty return, however, USA Standard Gear reserves the right to either replace axle or refund original purchase price after the first warranty claim. USA Standard Gear through RANDYS Worldwide Automotive makes final determination on warranty considerations. Positraction Differential One 1 Year Exclusions apply, does not cover premature clutch wear or abuse. It is normal for Positraction differentials to cause tire chatter, squeal, or scrubbing when vehicle is not moving in a straight line. Both rear tires must measure the same height from ground to top of wheel for differential to function properly without premature wear. Limited slip additive or appropriate friction modifier must be used with oil to reduce Positraction chatter. Spartan Locker One 1 Year Warrantied against manufacturers defects for one 1 year. Install Kits One 1 Year Includes ZBK, ZPK, and ZK. Covers parts for one year against manufacturing defects. Spider Gear Kits ZIK One 1 Year One year against manufacturing defects.
