Warranty replacement shall not extend the original warranty period of the Product. Note that a dated proof of purchase is required at the time of service. This requirement will be satisfied by providing a copy of your dated bill of sale or invoice. You must contact an ASF during such ASFs normal business hours to schedule the repair. If shipping is involved, it is your responsibility to properly package and send the Product at your cost to the ASF, together with your dated proof of purchase and a complete explanation of the problem. A Product covered by this limited warranty will be repaired and returned to you without charge by the ASF. Repairs not covered under this warranty will be charged to you at the then current service rates of the ASF. If the problem cannot be corrected over the telephone, a Return Authorization Number RA will be issued to you. You will be asked for the Product serial number and other information pertaining to your defective Product and for a ship to location for the replacement Product street address only, no P.O. box. You must also provide your major credit card

number. <http://ecohouse-lab.com/userfiles/infiniti-g20-2002-manual.xml>

- **canon l150 parts manual pdf, canon l150 parts manual download, canon l150 parts manual instructions, canon l150 parts manual free.**

Your credit card will be charged in an amount up to the cost of a new Product a if your defective Product is not received by Canon USA within 10 business days after you receive the replacement Product, b if the defects in the defective Product are not covered by this limited warranty; or c if the warranty period on the Product has expired or has not been sufficiently established by you by supplying the appropriate documentation. After receipt of the replacement Product with instructions and a prepaid waybill, follow the instructions on how to ship the defective Product to Canon USA. You must return the defective Product in the shipping carton in which the replacement Product was packed, include the Return Authorization Number RA, a copy of your dated proof of purchase bill of sale, and a complete explanation of the problem. The Canon USA Help Desk must receive your request for this service by 3 p.m. ET, Monday through Friday, except holidays to ensure that the replacement Product expedites by the next business day two 2 business day EXCHANGE SERVICE for Alaska and Hawaii. Canon USA does not guarantee next business day service in the event of the occurrence of factors beyond Canon USAs reasonable control. The replacement Product you receive will be a refurbished or reconditioned unit and will be covered for the balance of the period remaining on your original limited warranty. This product should be handed over to a designated collection point, e.g., on an authorized oneforone basis when you buy a new similar product or to an authorized collection site for recycling waste electrical and electronic equipment EEE. Improper handling of this type of waste could have a possible negative impact on the environment and human health due to potentially hazardous substances that are generally associated with EEE. At the same time, your cooperation in the correct disposal of this product will contribute to the effective usage of natural resources. For more information about where you can drop off your waste equipment for recycling, please contact your local city offi ce, waste authority, approved WEEE scheme or your household waste disposal service. Use of shielded cable is necessary to comply with the technical EMC requirements of EC Directive. The International ENERGY STAR Offi ce Equipment Program is an international program that promotes energy saving through the use of computers and other offi ce equipment. The program backs the development and dissemination of products with functions that effectively reduce energy consumption. It is an open system in which business proprietors can participate voluntarily.

The targeted products are offi ce equipment, such as computers, displays, printers, facsimiles, and copiers. The standards and logos are uniform among participating nations. For this reason, laser radiation emitted inside this equipment is hermetically sealed within the protective housing and external cover. No radiation can leak from the machine in the normal operation of the product by the user. This machine is classifi ed as a Class 1 Laser Product under IEC 608251 2007, EN608251 2007. All other product and brand names are registered trademarks, trademarks or service marks of their respective owners. By parts code you can check what other devices it is used. You can print your Parts List or export to Excel to further work with it. We only help you to create your parts list for request from your suppliers. Add your headers and comments. Use saved Parts Lists as templates to create new lists. Change the contents of the old list and save it as new. You can add, delete list items, change headers, comments and quantity of spare parts. We know from our users' experience

that most of people do not really attach importance to these manuals. Many instructions, immediately after the purchase, go into the trash along with the box, which is a mistake. Get acquainted with the information concerning the manual for Canon iSensys FAXL150, which will help you to avoid troubles in the future. You will then acquire basic knowledge to maintain Canon iSensys FAXL150 in good operating condition to make it easily reach the intended life cycle. Then you can put away the manual on a shelf and use it again only in a situation where you're not sure whether you perform maintenance of the product appropriately. Proper maintenance is a necessary part of your satisfaction from Canon iSensys FAXL150. Once a year, clean the closet where you keep all your devices manuals and throw out the ones that you don't use. This will help you maintain order in your home base of manuals.

You can process print data at high speed by compressing the print data using the computer's processing capability.
